June 1st, 2020 - blue reflection is a standard turn based rpg similar to the persona series. You go into the collective unconscious to defeat demons and balance your personal life with your demon fighting. Unlike persona however there is no time element and you can hang out with your friends as many times as you want until the end of time.
[almost a year after our release blue reflection 2 when](#)

April 24th, 2020 - I've read online statement that blue reflection sold quite fine and that Gust really listen to fans requests so they were working for sequels in the blue reflection universe. Anyone know or even thoughts of when it just can't wait the story deeply touched especially in the end. A magical theme turn based rpg was what I always wanted really appreciated'

'[blue reflection 2 blue reflection general discussions](#)
May 16th, 2020 - just finished blue reflection 100 achievements and I would love to see it being a saga like atelier games are. I trust Gust because they improve every games of the same saga they develop so I would love to see how they would improve on blue reflection from the first moments of the game. Yuzu and Lime tell that there are other installment where the same events occur as they are in the game.'
