'chapter 8 the ascent of humanity
May 21st, 2020 - for it appears that the
ascent of humanity is actually a descent a
reduction of the unmediated richness of

reality an abandonment of the original
affluence of foraging but perhaps there is
more perhaps we are groping toward something a
collective purpose or a destiny and have
wrought endless ruin instead in pursuit of a
substitute a sham'

'the ascent of humanity civilization and the
human sense

April 28th, 2020 - the ascent of humanity by
charles eisenstein is a bold and passionate
attempt to explain and remedy the pathology of
modern life where technology and culture have

enabled us to rise above our animal origins
but in doing so we have created a human realm
of alienation from nature and from our true
selves'
