continued to evolve and persist
and it couldn't be more timely'*

**'superior the return of race
science socialist review**

May 24th, 2020 - both groups
now looked to genetics to prove
the validity of race in the new
world emerging in the 1950s and
60s from the shadows of
colonialism and segregation
there was supposed to be no
room for theories of race unesco
the world scientific body even
drafted a statement that mitted
science to anti racism and yet

race science did return'
