**May 25th, 2020 - what is hand lettering many people  
pare hand lettering to calligraphy however there are  
important distinctions between the two calligraphy is  
a form of handwriting where letters are formed in a  
deliberate and rhythmic fashion using a nib pen hand  
lettering is a form of drawing to create decorative  
letters the art of hand lettering"hand lettering fonts  
essential things you need to get started**

**May 22nd, 2020 - one essential that you need to get  
started is a little education on the different styles of  
hand lettering fonts not every font is necessarily  
defined in one way or another but it can help for  
reference plenty of the more popular fonts are  
considered brush fonts or scripts"digital hand
