tune up drills retrievertraining net

May 23rd, 2020 - figured i would just start a new thread about this topic im a big fan of tune up drills but had some questions about what kind of regularity you all decide to implement them into your training routines i just finished up running a good tune up drill and was wanting some input on how often to return to using this particular tune up drill running on this same pond and same blind locations and''**customer reviews retriever training a back**
