archetype tv tropes

May 27th, 2020 - an archetype is a universal theme story or character which is so fundamental that regardless of how many times it is used or misused it never becomes stale dated or cliché this is the opposite of discredited tropes which started out as good ideas but were used so often they became cliché a pure archetype is always a partial personality rather than a rounded character'

'archetype

May 26th, 2020 - the concept of an archetype ? ??r k ? t a? p appears in areas relating to

behavior historical
psychological theory and
literary analysis an archetype
can be a statement pattern of
behavior a prototype a first
form or a main model which
other statements patterns of
behavior and objects copy
emulate or merge into
frequently used informal
synonyms for this usage
include "**cliché examples and
definition of cliché**

**May 25th, 2020 - a cliché is
a traditional form of human
expression in words
thoughts emotions
gestures acts which due to
repetitive use in social life
has lost its original often
ingenious heuristic power
although it thus fails
positively to contribute
meaning to social
interactions and
munication it does function
socially since it**"from cliché
