'everybody feels happy or angry books review leonalim

May 17th, 2020 - everybody feels angry and everybody feels happy are great books from scholastic to address emotions with our young readers as children they might not be able to understand why they feel a certain way when certain situations happen in their lives therefore i think books about feelings are great to teach kids how to handle their emotions'

'everybody feels scared book review teachwire

April 13th, 2020 - the scared edition is particularly relevant for using in class as it focuses on the emotions omar feels when he starts a new school and chloe s reluctance to join in with show and tell each book begins with an explanation of what might trigger the emotion in question and how it feels before moving through two different scenarios'
