*May 26th, 2020 - where the
emphasis in other series is on plain
and straightforward language
cambridge english reading texts
typically use very modern
expressions and the dialogue is
faster moving this has an impact on
the quality of the audio cassettes
which make for very enjoyable
listening a matter of chance level 4*

David A. Hill introduces 'Adresa ta'

'What's the meaning of above chance level'

May 9th, 2020 - chance level is the level that would be expected by random choices. The chance level of calling the correct heads/tails in coin flips is 50 out of 100. With some slight statistical variation, someone calling the coin correctly 80 times out of 100 would be above chance level.
