**'pantomime**

**May 16th, 2020 - pantomime gradually became more topical and is often involving spectacular and elaborate theatrical effects as far as possible. Colley Cibber, David Garrick and others competed with rich and produced their own pantomimes and pantomime continued to grow in popularity. 1806-1836 by the early 1800s the pantomime's classical stories were often supplanted by stories adapted from European'**

**'slapstick republished wiki 2**

**May 15th, 2020 - slapstick is a style of humor involving exaggerated physical activity which exceeds the boundaries of normal physical activity. The term arises from a device developed during the broad physical comedy style known as *media dell'arte* in 16th century Italy. The slapstick consists of two thin slats of wood made from splitting a single long stick which make a slap when striking another'**
