May 7th, 2020 - follow me to ground by sue rainsford ada is a mysterious girl who lives apart with her father near a villiage who e to them for their healing arts ada and her father are able to put people to sleep and open them up removing illness and disease and sometimes they even bury them for a time in the strange ground that is in their garden essentially raising people from the dead'

'follow me to ground new island books

May 23rd, 2020 - follow me to ground is an unnerving beautifully controlled tour de force a sinister tale that questions our preconceptions of predator and prey and the consequences of unchecked desire reviews brimming with dark folklore and underworld energy rainsford s stellar debut features a memorable heroine chafing against her monstrous isolation'

'follow me to ground by sue rainsford summary and reviews

May 23rd, 2020 - at its core follow me to ground is a story about a daughter on the cusp of womanhood carving a life for herself away from her well meaning if overbearing father this could have so easily been just another fantastically tinged tale of a girl seeking and attaining her own agency thankfully it s much stranger than that and all the more powerful for it a haunting intoxicating debut that''
