putrefaction the horizons

the horizons towards which splendour withers cosmic

May 24th, 2020 - the horizons towards which splendour withers by cosmic putrefaction released 22 may 2020 1 1 between awe and fear upon
the burst of the ominous star 2 2 this landscape sublimates oblivion to obliteration 3 3 the glooming murk of his telluric shrieks 4 4
abysmal resonance projection 5 5 the arcane soothsayer carefully sculpted his demise 6'

'cosmic music planets stars space etc

May 23rd, 2020 - cosmic music planets stars space etc one of the things i think classical music can do really well is suggest huge
expanses of space establishing a kind of cosmic sound world i ve always been partial to music where i can lose myself as if drifting
through some auditory nebula i think immediately of john coolidge adam s harmonielehre as a fine modern example'
