Why technical analysis is shunned by professionals

June 24th, 2018 - This guy clearly isn't experienced in fibonacci numbers or has studied a chart using them correctly and has extensively watched how these numbers trade over and over again and again' '**Elliott wave principle Wikipedia**

June 22nd, 2018 - The Elliott wave principle is a form of technical analysis that finance traders use to analyze financial market cycles and forecast market trends by identifying extremes in investor psychology highs and lows in prices and other collective factors''
