1870 2015 thought i d share what i consider to be the one
of the most interesting pieces of economic research to e
out in the last year or so these folks painstakingly
assembled a major dataset for all major asset classes for
16 advanced economies from 1870 to 2015'

'the rate of return on everything vox cepr policy portal
June 2nd, 2020 - the rate of return on capital plays a
pivotal role in shaping current macroeconomic debates
this column presents findings from a new dataset covering
returns of major asset classes in the advanced economies
over the last 150 years the data offer new insights on
several long standing puzzles in economics and uncover
new relationships that seem at odds with some
