***'the templar legacy audiobook by steve berry audible***

*May 27th, 2020 - the templar legacy is an interesting mix of history speculation religion and thriller the reader has to be ready to suspend some disbelief the secret agent type heroes are incredibly slow at times evidently they had never heard of a transponder and the evil bad guy is uncannily lucky and able to pull correct hunches out of the blue'*

**'the templar legacy cotton malone 1 by steve berry**

**May 29th, 2020 - the templar legacy 1 star this is my third attempt at reading this book and its time to call it quits the main character is interesting enough and the plot has potential but it moves along at a snails pace with excessive descriptions of the scenery villages buildings forests gardens etc and the innermost thoughts of each and every character most of whom i couldn t care less about'**
