**'sword of persia nader shah from tribal warrior to**

February 21st, 2020 - in his odd review of my book the sword of persia thomas welsford made some criticisms of its account of the life of nader shah and cast some doubt on the book's originality i felt i should mention upon one or two points part of the way the book addresses its subject is to develop from known facts to speculate about nader's attitudes and thoughts"

**nader's dagestan campaign**  
April 16th, 2020 - nader's dagestan campaign refers to the campaigns conducted by the persian empire under the safavid and afsharid dynasty under the ruling king nader shah between the years 1741 and 1743 in order to fully subjugate the dagestan region in the north caucasus area the conflict between the persian empire and the lezgins and a myriad of other caucasian tribes in the north was intermittently fought'
