authors shape the genre"***history
of science fiction**

June 6th, 2020 - the literary genre
of science fiction is diverse and its

exact definition remains a
contested question among both
scholars and devotees this lack of
consensus is reflected in debates
about the genre s history
particularly over determining its

exact origins there are two broad camps of thought one that identifies the genre's roots in early fantastical works such as the Sumerian epic of 'essential science for
