all book marks reviews for adjustment day by chuck palahniuk

May 12th, 2020 - palahniuk s usual knack for arresting detail and dialogue is in full force here and while the novel is filled with idiosyncratic style in terms of conversations inner thoughts and scene setting it s the desensitized violence of adjustment day that stuns most the gimmick of jumping from person to person in brief sections is to an extent quite clever and gripping however it''adjustment day a novel book by chuck palahniuk

May 25th, 2020 - adjustment day is an ingenious darkly ic work in which chuck palahniuk does what he does best skewer the absurdities in our society geriatric politicians bring the nation to the brink of a third world war to control the burgeoning population of young males while working class men dream of burying the elites'
