aoc 009 my principles of orchestration art of posing

May 27th, 2020 -

orchestration the technique of posing for orchestra is something that everyone needs to eventually learn but when you are just starting off i liken it to treasure hunting on the beach you walk around with a metal detector aka your ear looking for a chest of buried gold from 200 years ago'

'learn the art of orchestration posing music for strings

May 28th, 2020 -

orchestration and instrumentation are two topics that go hand in hand and we ll be studying both we will learn every

articulation and technique available for the stringed instruments with colourful examples to help you remember everything'

'orchestration techniques of strings part ii

May 25th, 2020 - stravinsky rite of spring part ii slow section example here we have a different technique employed stravinsky uses a harmonics gliss in the violins where the players slide their finger up the string as if playing harmonics it thus causes the entire harmonic series to sound all in a row"

orchestration

May 25th, 2020 - orchestration is the study or practice of writing music for an orchestra or more loosely for any musical ensemble such as a concert band or of adapting music posed for another medium for an orchestra also called instrumentation

orchestration is the assignment of different instruments to play the different parts e g melody bassline etc of a musical work'
