painting and
scribbling for
eons but only
recently did
researchers
realize all its
ripple effects Dr
Wesson has found
that visual art
engages many

areas of a child's brain'

**'How to Teach
Math Skills And
Help Kids With
Math Homework**

October 7th, 2018

- Some parents and teachers have the tendency to help children a little too much with their school work especially with math Don't be one of them
Make yourself

available to your
child while they
do their homework
but instead of
helping them
solve a
particular
problem help them
find their own
mistakes'

**'Teaching Kids
Problem Solving
Skills Working
Mother**

**December 1st,
2016 - As a long
time clinical**

psychologist
specializing in
work with
children
adolescents and
young adults here
are my top tips
for teaching kids
to practice daily
problem solving
The next time
your kids asks
one of the
following
questions
encourage them to
practice a little

independent

thinking'
