**'prepositions at the ends of sentences further explanation**

May 13th, 2020 - even usage handbooks mostly employed in high school and college classrooms e.g. those published by Harbrace, Little Brown and Prentice Hall say quite clearly that it is acceptable to end a sentence with a preposition. The simple truth as Fowler explains is that the preposition in a phrasal verb is not really a preposition at all but rather an adverbial particle and in their attempts 'when should we use prepositions at the end of the sentence

May 23rd, 2020 - prescriptive grammarians the kind who make rules about language rather than observing language to discover its rules have frowned upon the terminal preposition in English as a Germanic language uses terminal prepositions in everyday speech though students are taught to avoid them when writing or when speaking if they are in situations where they're supposed to sound educated'
