**May 8th, 2020 - the black keys made tickets to their wiltern show
nontransferable to third party vendors leaving fans who bought
tickets from sites such as stubhub turned away at the doors"rubber
factory the black keys songs reviews credits**

*May 26th, 2020 - it s easy to think of the black keys as the flip side of the
white stripes they both hail from the midwest they both work a similar
garage blues ground and both have color coded names if they re not quite
kissing cousins they re certainly kindred spirits and they re following
surprisingly similar career arcs as the keys third album rubber factory is
neatly analogous to the stripes'*

'the black keys

May 27th, 2020 - the black keys are an american rock band formed in akron ohio in 2001 the group consists of dan auerbach guitar vocals and patrick carney the duo began as an independent act recording music in basements and self producing their records before they eventually emerged as one of the most popular garage rock artists during a second wave of the genre s revival in the 2010s'
