'a brief history of chile s indigenous mapuche

people

May 27th, 2020 - the name mapuche encompasses several different indigenous groups inhabiting southern Chile and Argentina each sharing the Mapudungun language along with many customs and traditions. The heartland of the Mapuche rests between the Itata and Toltén rivers in Chile's south-central zone. Archaeologists have found evidence that suggests the Mapuche occupied this area early as 600 to 500 BC. ***the land of legends***
