russian

May 27th, 2020 - oct 1 2015 the
stenberg brothers vladimir 1899 1982
and geii 1900 33 the innovative visual
aspects of stenberg posters included a
distortion of perspective elements from
dada photomontage an exaggerated scale
a sense of movement and a dynamic use
of color and typography eventually all
were to be imitated by others the
stenberg artwork was frequently based
on stills from the films'

'the legacy of polish posters smashing
magazine

June 2nd, 2020 - before the era of
globalized entertainment made movie
posters look the same in every country
polish artists were creating their own
versions for the internal market what
resulted was a whole school of artists
trained in the art of the poster this
article presents a short historical
look at how this movement was born and
how it developed form its art related

beginnings at the end of the'
