June 5th, 2020 - the rule of law is generally taken as a fundamental ponent of a healthy democracy but as Javier Garc a Oliva and Rafael Valim write several countries across the world have recently seen the role of their judiciary promised or called into question they consider

three illustrative examples spain and catalonia the uk s
parliamentary privilege and corruption trials in brazil'
**'reactive vs structural approach a public cambridge
core**

**April 5th, 2020 - in the words of frankenberg the
authoritarian side of the constitutional moment is
closing constitutional debate and submitting a
people majority or minority to a covenant forcing a
collective identity upon an internally fragmented
society offering constitutional protection to some
interests claims and actions and with the same coup
de main excluding others" *making social rights
conditional lessons from india***

*May 25th, 2020 - finally even parative constitutional law
scholars studying social rights have not seriously
attended to the indian position 32 the ensuing analysis
aims to remedy this lack of attention 33 the south african
experiment has catalyzed a global debate on the
possibility of constitutionalizing such rights 34 it has
urged us to move beyond simply asking whether such
rights ought to be'*
