***a single finite planet sitting down with photographer***

*June 1st, 2020 - the image casts a soft yet enduring glow on the  
age old industry though not all of burtynsky s work can be  
viewed through the same lens of beauty on the contrary some of  
his other photo'*

**'photographs water edward burtynsky**

June 2nd, 2020 - water is intermittently introduced as a victim a  
partner a protagonist a lure a source an end a threat and a  
pleasure water is also often pletely absent from the pictures  
burtynsky instead focusses on the visual and physical effects of  
the lack of water giving its absence an even more powerful  
presence"**manufactured landscapes the photographs of
