'*prague winter a personal story of remembrance and war*

June 1st, 2020 - prague winter a personal story of remembrance and war reads more like a well written history book than a personal story of remembrance and i was left feeling a little disappointed with this one as i was really looking forward to reading about the experiences of her family in europe and while to some extent the book does give us an insight into her family history this is more a book that concertrates on the politics of the war and czech republic s policital history'

'prague winter a personal story of remembrance and war
